Youth Empowerment Conference

The Wentworth Youth Centre buzzed with energy as it hosted the impactful Youth Empowerment Conference. This vital initiative was born from the passionate vision of Nonelwa, one of our dedicated interns, whose desire to effect positive change in Ward 66 truly inspired us. Working hand-in-hand with Councillor Zoe and a committed team of individuals, Nonelwa's dream transformed into a tangible reality, ensuring the conference was a resounding success. Over two dynamic days, the conference provided a crucial platform for the unemployed youth of Ward 66. Various organizations stepped forward, offering invaluable guidance on a multitude of pathways to self-improvement and opportunity.

Attendees gained insights into:

- **Acquiring Employment:** Practical advice and strategies for job searching.
- **Internships & Learnerships:** Information on gaining vital work experience.
- **Education & Skills Development:** Opportunities for further learning and acquiring new, in-demand skills.

The overwhelming participation and positive feedback from the youth underscored the critical need for such initiatives. It was a powerful demonstration of community collaboration, igniting hope and providing concrete steps for a brighter future for the young people of Ward 66. We're incredibly proud of Nonelwa's leadership and the collective effort that made this event possible!

Spotlight on Zanele Mhlongo

We're incredibly proud to shine a spotlight on Zanele Mhlongo, an outstanding intern from our NSF WIL placement programme. Zanele has consistently developed and added immense value to those around her. Her insightful articles, which have graced the pages of various newspapers, stand as a true testament to her exceptional skill and dedication. She has fully integrated into her environment, pushing the boundaries of what it means to be an 'intern'.

"I feel like I'm not expressing my gratitude fully. I would like to take this opportunity to thank you for the chance you have given me. I'm absolutely loving the experience I'm gaining here. One of the highlights is seeing my work featured in prominent publications like Metro Ezasegagasini, Newsflashes and Workplace magazine. These contributions are a testament to the skills I'm developing and the value I'm adding. KEEP UP THE GOOD WORK"

Zanele.
